Welcome to Trailblazers!

It is with great excitement that Ecosource presents our new Trailblazer Newsletter and welcomes Outdoor Paragon members to the Trailblazers community!

On March 18th Ecosource staff and David Spencer concluded the transfer of *Outdoor Paragon* membership to the *Trailblazers Online Environmental Education Newsletter*. Similar to *Outdoor Paragon*, Trailblazers offers a collaborative online resource that encourages environmental education throughout the Peel Region. We have confidence that this new format will meet the needs of *Outdoor Paragon* members, by providing a streamlined directory to share and receive environmental education resources and information.

We thank David Spencer for his many years of dedication to the *Outdoor Paragon* listserv and we will strive to continue in its spirit!
